12-04-24

Annwyl Rien / Warchodwyr,

Rydym wedi penderfynu dynodi wythnos 22/04/24-26/04/24 fel wythnos o weithgareddau ecolegol i ddatblygu'r amgylchedd o amgylch yr ysgol ac er mwyn annog syniadau cynaliadwy. Rydym fel pwyllgor wedi penderfynu ar arddio a chompostio, felly bydd gweithgareddau'r wythnos yn cwmpasu hyn. Prif brosiect yr wythnos yw adeiladu biniau compost newydd. Mae'r tir yn wlyb, felly, byddai'n syniad i bawb ddod ag esgidiau glaw a dillad sbâr i'r ysgol yn ystod yr wythnos os gwelwch yn dda. Bydd y plant yn chwynnu a phlannu yn ystod yr wythnos hefyd, felly os oes gennych hadau sbâr, planhigion neu offer i rannu byddwn wir yn ddiolchgar.

Mae Cynllun Eco Ysgolion yn seiliedig ar wyth maes testunol sy'n uniongyrchol berthnasol i faterion y mae pob ysgol yn gorfod eu hwynebu:

- |           |                          |                |
|-----------|--------------------------|----------------|
| -Sbwriel  | - Lleihau Gwastraff      | -Tiroedd Ysgol |
| -Ynni     | -Dŵr                     | -Byw'n Iach    |
| -Cludiant | - Dinasyddiaeth Fyd Eang |                |

Os oes gennych ddiddordeb yn y meysydd ac yn dymuno cyfrannu, cysylltwch â'r ysgol.

Diolch yn fawr am eich cydweithrediad.

Mrs A O'Leary a'r Pwyllgor Eco

Dear Parents / Guardians,

We have designated the week 22/04/24-26/04/24 as a week of ecological activities to develop and promote good sustainability practice in school. The Eco Committee have decided to concentrate on gardening and composting; therefore the activities of the week will be based on these themes. The main project will be to make and build new compost bins, please bring wellies and spare clothes for this week as the land is wet. The children will also be planting and weeding during the week, therefore if you have any leftover seeds, plant cuttings or equipment to share we'd be very grateful.

The Eco Schools award programme is based on eight topic areas that directly relate to issues generally faced by schools:

- |            |                     |                 |
|------------|---------------------|-----------------|
| -Litter    | -Waste Materials    | -School grounds |
| -Energy    | -Water              | -Healthy Living |
| -Transport | -Global Citizenship |                 |

If you are interested and wish to contribute towards any of the above, please contact the school.

Thank you for your co-operation.

Mrs A O'Leary and The Eco Committee
