11/09/26

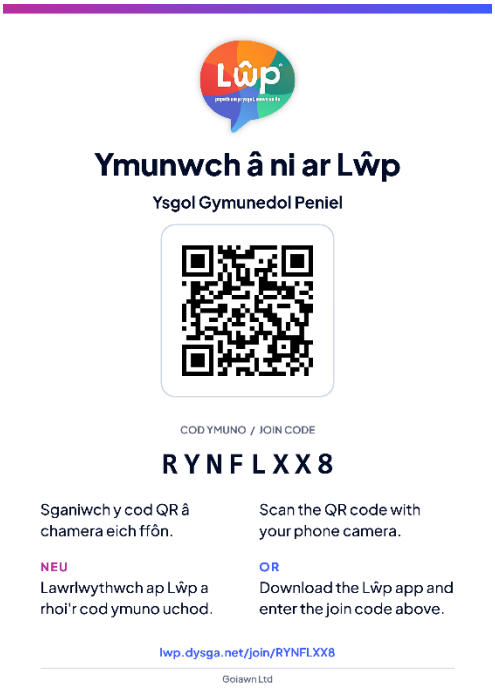
Dear Parents/Guardians,

We are pleased to inform you that we have now committed to using the Lŵp App as an additional method of communication with parents and carers.

The app will enable us to share messages, letters, notifications and important information about school life in one convenient place.

We will continue to share all information on the school website. However, please remember that email is the main method of communication between the school and parents and carers, therefore, it is important to ensure that we have your current email address and that you check your inbox regularly.

To ensure that you receive all updates, we kindly ask all parents and guardians to download the app and complete the registration process as soon as possible.



Thank you in advance for your co-operation as we move to this new communication system. We believe that the Lŵp App will be an effective and convenient way of keeping in touch with you.

Yours sincerely,

Miss E H Powell
