

YSGOL GYMUNEDOL PENIEL INCLUSION POLICY

All children have a human right to be educated with their peer group. Ysgol Gymunedol Peniel values the individuality of all children. We are fully committed to promoting inclusion of all children, whatever their age, ability, gender, race or background. We believe that the teaching and learning, achievements, attitudes and well-being of every child in the school is important.

We aim to provide equal opportunities for all groups of children, including those with diverse needs. Our main objective is to safeguard the interests of all children and to ensure they achieve their full potential. All pupils should have the opportunity to join fully with their peers in the curriculum and the life of the school. We aim to pay particular attention to the provision for, and the achievement of, 'different groups' within the school, providing extra resources and support, where possible.

We do this by taking account of pupils' varied life experiences and needs. We offer a broad and balanced curriculum and have high expectations of all our children. The achievements, attitudes and wellbeing of all our children matter. This policy helps to ensure that the school promotes the individuality of all our children, irrespective of ethnicity, attainment, age, disability, gender or background.

Aims:

Ysgol Gymunedol Peniel aims to be an inclusive school. We actively seek to remove the barriers to learning and participation that can hinder or exclude individual pupils or groups of pupils. This means that equality of opportunity must be a reality for all our children. We make this a reality through the attention we pay to the different individuals and groups of children within our school:

- girls and boys;
- minority ethnic and faith groups;
- children who need support to learn English as an additional language (EAL);
- children with additional learning needs;
- more able and talented children;
- LAC children
- Other children such as young carers and ill children.
- children who are at risk of disaffection or exclusion;
- travellers, asylum seekers and refugees.

Our Universal Learning provision is a key part in planning a curriculum that meets the specific needs of individuals and groups of children. We meet these needs through:

- setting appropriate learning challenges;
- responding to the diverse needs of the children;
- overcoming potential barriers to learning and assessment for individuals and groups of pupils;
- providing other curricular opportunities to meet the needs of individuals or groups of children;

We achieve educational inclusion by continually reviewing what we do, by asking ourselves these questions:

- do all our children achieve their best?
- are there differences in the achievement of different groups of children?
- what are we doing for those children who we know are not achieving their best?
- are our actions effective?
- are we successful in promoting racial harmony and preparing pupils to live in a diverse society?

Learning and teaching styles

We aim to give all our children the opportunity to succeed and reach the highest level of personal achievement. We analyse the attainment of different groups of pupils to ensure that all pupils are achieving as much as they can. We also make ongoing assessments of each child's progress. Teachers use this information when planning their lessons. It enables them to take into account the abilities of all their children.

When the attainment of a child falls significantly below the expected level - using formative and standardised assessments - teachers enable the child to succeed by planning work that is in line with their child's individual needs. Where the attainment of a child significantly exceeds the expected level of attainment, teachers use materials from a later key stage or extend the breadth of work within the area or areas for which the child demonstrates a particular aptitude.

Teaching and support staff are familiar with the equal opportunities legislation covering race, gender and disability.

Teachers and support staff ensure that all children:

- feel secure and know that their contributions are valued;
- appreciate and value the differences they see in others;
- take responsibility for their own actions;
- are taught in groupings that allow them all to experience success;
- use materials that reflect a range of social and cultural backgrounds without stereotyping;
- have a common curriculum experience that allows for a range of different learning styles;
- have challenging targets that enable them to succeed;
- participate fully regardless of disabilities or medical needs.

Children with disabilities

If children in Ysgol Gymunedol Peniel have disabilities then we are committed to meeting the needs of these children as we are to meeting the needs of all groups of children within our school. Peniel Community fully meets the requirements of the Disability Discrimination Act that came into effect in September 2002.

Teachers modify their learning and teaching expectations as appropriate for children with disabilities. For example, they may be given additional time to complete certain activities or

modify teaching materials. In their planning, teachers ensure that they give children with disabilities the opportunity to develop skills in practical aspects of the curriculum.

Disapplication and modification

The school, where necessary, modify or disapply the National Curriculum and its assessment arrangements. Ysgol Gymunedol Peniel's policy is to do this only in exceptional circumstances. The school makes every effort to meet the learning needs of all its children without recourse to disapplication or modification. Peniel achieves this through greater differentiation of planned learning or through the provision of learning resources. When necessary, Peniel also supports learning through the involvement of appropriate external specialists. In such cases, teachers work closely with them to support the child.

In exceptional circumstances we may decide that modification or disapplication is the correct procedure to follow. This would only be undertaken following detailed consultation with parents. The school governor with responsibility for additional learning needs would also be closely involved in this process. Peniel Community would ensure that every effort had been made to provide the necessary support from within the school's resources before considering such action.

Disaffected Pupils

At Peniel, every effort is made to provide early intervention and support for those pupils who are disaffected or at risk of exclusion as a result of inappropriate behaviour. Behaviour Management Programmes will be implemented at the same time as seeking the help and support from parents before exclusive action is taken. Exclusion will be implemented only in extreme circumstances.

Inclusion and racism

The diversity of the society in which our children are living, is addressed through the planned schemes of work which reflect the programmes of study of the National Curriculum. Teachers are flexible in their planning and offer appropriate challenges to all pupils, regardless of ethnic or social background. All racist incidents are recorded and reported to the Governing Body by the Headteacher. The school contacts parents of those pupils involved in racist incidents. Further details are to be found in the schools Racial Equality Policy.
